

Where do you do it Guide

2012 Edition

Prepared and produced by Becarra Fletcher of Bond University on behalf of the National Association of Prospective Student Advisers (NAPSA) NSW and ACT Chapter

ABOUT THIS GUIDE

The 2012 *Where Do You Do It* guide offers a summary of all types of courses on offer at universities and other registered training organisations based in NSW and the ACT.

Where Do You Do It is intended as a **guide only** - it does not list specific degrees and uses only the name of the institution and **not the individual campuses**. You are advised to enquire early about where institutions offer their programs and accommodation if you will be leaving home to pursue tertiary study.

Use this publication to find out which universities and registered training organisations offer the type of course/s you are interested in *before* you attend a Careers Market or Tertiary Information Day. This preparation will enable you to use your time at the event to your best advantage.

The 2012 UAC Guide, published by the Universities Admissions Centre (UAC), provides details on courses, institutions and application procedures for most university courses on offer in NSW/ACT. The UAC Guide will be available in late July 2012 from your Careers Adviser.

Applications for courses not listed in the 2012 UAC guide are made directly to the relevant tertiary institution. Please contact each institution directly to gain more information on course details and application procedures.

* Programs marked with an asterisk are either awarded by a University as a degree or articulate into a University degree. Please speak with the provider directly about details of this course and articulation pathway.
