

KHS Onsite Learning Guidelines – Phase 1

All staff are really looking forward to having larger numbers of students back onsite for face-to-face learning. However, it is going to be very different as we work toward getting back to ‘normal school’. Make sure you know what day or days you are coming in. When the bell goes you will have a meeting in your Year group and you will be given a timetable for the day that will look very different to what you are used to. Follow it carefully and the guidelines below and we will all have a great day.
