## Learning from Home Update

**Thursday 15 May 2020**

Dear Parents and Caregivers,

On behalf of all the staff here at Kellyville High School I would like to thank you for your support as we have launched into Phase 1 this week. We have had very high attendance rates, great cooperation and a couple of really nice days that have looked and sounded like normal school. As someone new to the school, it has been very encouraging to walk around and see students so well engaged in their classes, even though some things have been a bit different. Teachers have adapted to the newest model of learning incredibly well and students have enjoyed the experience, even though it may have been a bit different to what they are used to.

Next week, we are still in Phase 1 so the designated days will be exactly the same as previously published (see the document attached). However, we are looking to step things up a little with the learning content and we are asking students to bring books and other equipment specifically for each subject. We will publish the exact timetable a day in advance so students know what to pack the night before they come to school.

I have also met with the executive team to design our plan for Phases 2 and 3 as we are expecting these will be needed soon. When we do go to the next phases, we will publish our plans as quickly as possible.

Thank you once again, we are certainly enjoying having students back to on-site learning.

Sincerely,

*Mr Mark Burnard*  
**Relieving Principal,
