STAGE 5
SUBJECT SELECTION EVENING

Tuesday 28 July 2020

Welcome to Year 9, 2021

@ Kellyville High School

THE RECORD OF SCHOOL ACHIEVEMENT

- Awarded by NESA – NSW Education Standards Authority

- *'When the student leaves'*

- Completed Year 10
  - ❑ Follow the course developed or endorsed by Board
  - ❑ Apply themselves with diligence and sustained effort
  - ❑ Achieve some or all of the course outcomes

HSC MINIMUM STANDARD

In 2021, you are required to achieve a minimum standard of literacy and numeracy to achieve your HSC.

STAGE FIVE

Student A
Record of School Achievement

BOARD OF STUDIES
NEW SOUTH WALES

This is to certify that **Sample Student** of **Sample High School** has received the results shown below:

STAGE 5 COURSES

| Year	Course	Result
2012	English (200)	A
	Mathematics (200)	C5
	Science (200)	B
	Australian Geography (100)	D
	Australian History (100)	C
	History (Elective) (100)	B
	Religion, Catholic Studies (100)	D
	Industrial Technology – Electronics (200)	C
	Personal Development, Health and Physical Education (200)	A

Mandatory Curriculum Requirements

Languages	Completed
Technology	Completed
Music	Completed
Visual Arts	Completed
Personal Development, Health and Physical Education	Completed

Sample Student has met the requirements for the award of a Record of School Achievement

GRADES

- ## NO EXTERNAL EXAMINATIONS

- ## A – E grades are awarded based on COURSE PERFORMANCE DESCRIPTORS at the end of Y10

Life Skills outcomes and content

1. Can the student access some or all of the regular syllabus outcomes in a particular subject without adjustments?

If no, then consider a range of adjustments.

If yes, then the student should follow a regular syllabus program in that subject without adjustments.

2. Can the student access some or all of the regular syllabus outcomes in a particular subject with adjustments to teaching, learning and/or assessment?

If no, then consider Life Skills courses.

If yes, then the student should follow a regular syllabus program in that subject with appropriate adjustments.

3. Are the student's interests, strengths, goals and present and future learning needs best addressed by following one or more Life Skills courses?

If yes, then the student should follow one or more Life Skills courses.

LIFE SKILLS INFORMATION

- Courses in each Syllabus

- Attainment in Life Skills is shown on a *Profile of Student Achievement* where no grades are reported.

- Relevant for students with special education needs.

HOW MANY ELECTIVES?

- THREE electives, across 2 years are offered for all students
- Students will study elective courses of 100 hours or 200 hours duration.
- For the purpose of subject selection, students are asked to nominate 5 subjects in order of preference.

CHANGE OF COURSE

- This could happen in the first 4 weeks of 2021 or at the end of Year 9 if space is available.

… OPTIONS FOR 2021 …

- Child Studies
- Commerce
- Dance
- Design & Technology
- Drama
- Food Technology
- French
- GAT elective
- Graphics Technology
- History Elective
- IT – Engineering
- IT – Metals

- IT – Multimedia
- IT – Timber
- Japanese
- Korean
- Music
- PASS
- Photography & Digital Media
- Script to Screen
- STEM elective
- Textiles Technology
- Visual Art
- Visual Design
- Work Education

OUR SELECTION PROCESS …

- (Mentor Process in Wellbeing)

- 23 July Actual selection form issued

- 7 August Term 3, Week 3 due

- Term 4 Students informed

STAGE 5 SUBJECT SELECTION EVENING

Mathematics 2021

Stage 5 Mathematics

There are three different courses that students' can be enrolled in for Mathematics namely:

5.3

5.2   and

5.1

Stage 5 Mathematics

All three courses do the same core work, however, the 5.2 Mathematics course does additional units of study in comparison to the 5.1 Mathematics course and the 5.3 Mathematics course does additional **extension** units of study in comparison to the 5.2 and 5.1 Mathematics courses.

Stage 5 Mathematics

At Kellyville High School the Mathematics faculty runs our courses so that levels overlap one another.

Stage 5 Mathematics

Over the two year course, ongoing assessment of students' progress will be made and if deemed appropriate a change of course may be made in order to best meet students' needs.

ROSA Grades?

Unlike all other courses studied at a Stage 5 level which have the grading scales from A to E, Mathematics have 9 grading scales namely:

A10, A9, B8, B7, C6, C5, D4, D3 and E2.

ROSA Grades?

For ROSA purposes the entire year group will be analysed as a whole and allocated these grades at the end of their Stage 5 Mathematics course.
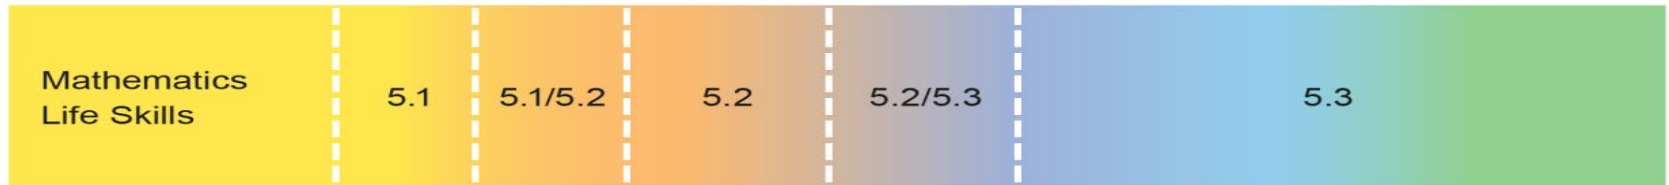

ROSA Grades?

The nature of this criteria and the varying levels of study in Mathematics, means that potentially only the students' that have studied the 5.3 course could achieve the top grades as per the given ROSA grading criteria and the 5.2 and 5.1 students' would have an upper limit on the grades that they could achieve.

Stage 4
### Mathematics K–10
(including Life Skills outcomes and content)

Stage 5
Mathematics K–10

Mathematics Life Skills	5.1	5.1/5.2	5.2	5.2/5.3	5.3

Stage 6
(Years 11–12)

Mathematics Life Skills	Year 11 Mathematics Standard	Year 11 Mathematics Advanced	Year 11 Mathematics Advanced and Mathematics Extension 1

Mathematics Life Skills	Year 12 Mathematics Standard 1	Year 12 Mathematics Standard 2	Year 12 Mathematics Advanced	Year 12 Mathematics Extension 1	Year 12 Mathematics Extension 1 and Mathematics Extension 2

Community, other education and learning and workplace pathways

CHOOSE WISELY

- Be SAFE and successful

- RESPECT 'expert' advice

- Make RESPONSIBLE choices

- ENGAGED, ACTIVE LEARNER
