

NAPLAN 2025

YEARS 7 & 9 - WEEKS 7-9 | TERM 1

NAPLAN is an annual nationwide assessment for students in Years 7 and 9, testing their skills in reading, writing, language conventions, and numeracy. It helps parents, teachers, and schools understand students' progress and identify areas for improvement, providing valuable insights alongside other assessments. While NAPLAN is not a measure of overall school quality, its results support monitoring educational approaches and ensuring students develop essential foundational skills.
