Homework Centre

The Homework Centre is closed until further notice.

The Homework Centre, which usually operates on a Thursday afternoon from 3-4pm in the Library, is CLOSED until further notice.

Thank you to everyone who attends and supports the Homework Centre.

We will notify everyone when we are re-opening.

Mrs H. Ruys

English Head Teacher

The Gifted & Talented (HAST) Test

The G&T test is now scheduled for **Monday, 14 September 2020**.

An updated permission note will be provided to parents as soon as possible via our social media sites & will forwarded to our feeder primary schools this week.

The test will allow for high achievers to be placed in the KHS Gifted & Talented Program.

Contact the front office on 8824 5955 with any questions.

Mathsonline Term 2 2020

The Mathematics Faculty at Kellyville High School offers membership to Mathsonline.

It is an excellent online program that offers tutorials, questions, quizzes and feedback to students in Mathematics.

If you would like your child to have access to Mathsonline until February 2021, the price is just \$15.

This amount is payable to the office or online at any time during Term 2 2020.

Cost: \$15.00

Please note that fees are charged pro-rata (\$5 per term of usage). If students pay for membership in Term 1, the price is \$20. If they pay in Term 2, the price is \$15 and so on.

For more information, you can visit the website:

mathsonline.com.au

Relieving Principal's Address

Over the past fortnight I have endeavored to get around the school and have a look at a few classes to see how we are travelling after being getting back to full-time operations.

What I have seen is really encouraging - a huge variety of learning activities with very high levels of student engagement. We still have a few restrictions of course but, in general, this has not stopped high quality teaching and learning from happening in class.

A few more of these restrictions have been relaxed and we have just released the document that outlines these through School Bytes. From next week we will get back to having school assemblies, and a few more activities that involve accessing services outside the school will also get back under way soon.

It has been a tough and unsettling period of adjustment but we are getting through it well.

Sincerely,

Mr Mark Burnard

Relieving Principal

Kellyville High School

Deputy Principals' Report

Year 8 & 10 Subject Selection Night

Subject selection will commence at 5:00pm for Year 8 and 7:00pm for Year 10 on Tuesday, 28 July 2020. More information will be forwarded closer to the date.

Study Periods / Wednesday sport

The following reminders are given about the expectations regarding study periods.

The general rule is "one arrival, one departure" on any day.

Study periods should be spent in the Library or in a Cola in a quiet manner.

For study periods in P1, P2 or P5, P6 when you arrive late or leave early you must swipe in on premises - you can do this at the reception (parent counter).

The expectation is on a Wednesday during sport you will leave. If you remain on site, without having a scheduled lesson, you must 'swipe in'.

School Uniforms

A reminder that the school community endorses, supports and expect students to be in uniform at all times. Uniform by nature implies unity and consistency. No variations to school uniforms are allowed.

The current uniform issues that we are seeing are the repeated wearing of leggings and tracksuit pants by students at the school.

Students in Years 7 - 10 will be subjected to school discipline processes and receive a Lunch Detention if they wear the incorrect uniform.

Students in Year 11 or Year 12 will be sent home to change if they are in the incorrect uniform, and are expected to return to school. Parents and carers will be contacted if this occurs.

Uniform is an important part of the development of the school as it presents the first (and often lasting) impression people form about the school and its students. We want our students to be seen in a positive way.

Uniform is particularly important, particularly in these colder months, to allow students to remain safe and warm. Uniform provides security in the sense of easily identifying where students come from.

Economically, it presents a better alternative to buying name brands and lessens the demand to continually upgrade outfits pursuant to the latest student trends and fads. It lessens the competition for brand names that can develop.

Lastly, our uniform promotes a sense of identity, collective purpose, consistency and unity in the daily activities of our students. Wearing it develops pride in achievement and school, which helps to establish the positive culture of the school.

[The Daylight Uniform Shop](#) and [P&C Second-Hand Uniform Shop](#) are available for your convenience.

You can find the Department's School Uniform Policy [here](#).

Mrs Denise Maloney (Years 7 & 8)

Mrs Jo Roberti (Years 9 & 11)

Mr Damian Wanstall (Years 10 & 12)

Year 9 Photographic & Digital Media Photo Challenge

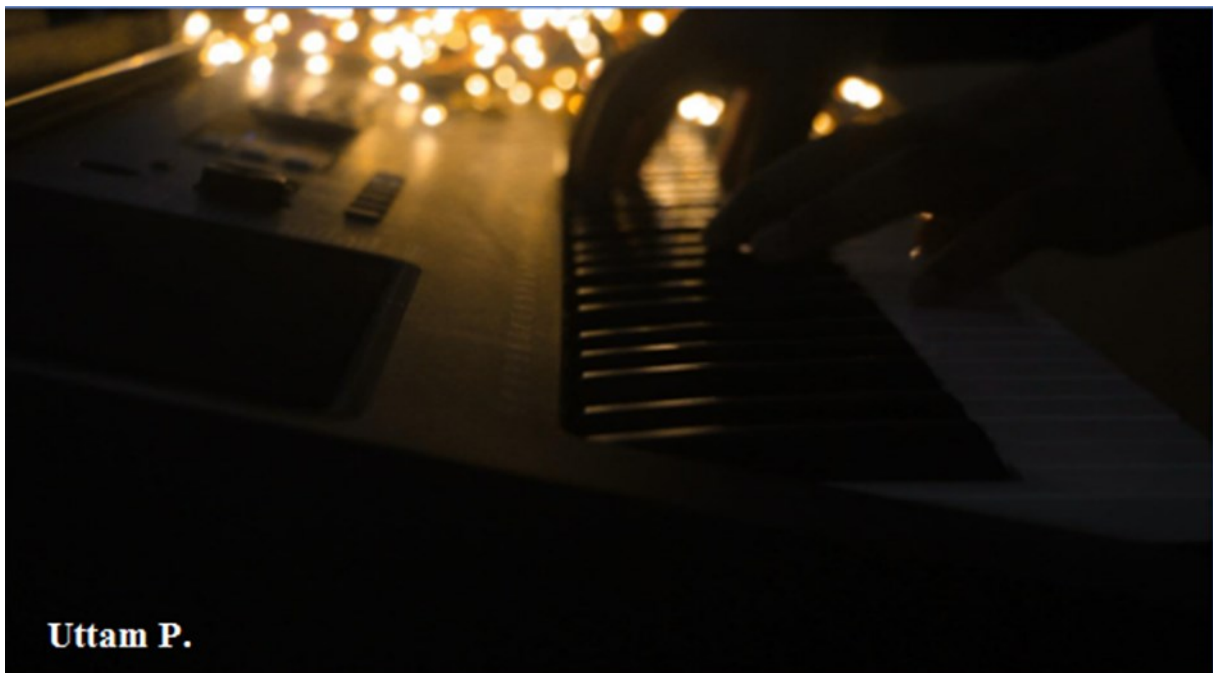

During isolation Year 9 PDM have been busy documenting the lives of a family member through a series of photos.

This challenge was undertaken with enthusiasm as students applied their own creativity to explore different styles, camera settings and the world of their chosen family member.

The photos show a unique angle of isolation from many different perspectives as they explore how the students and their families worked through these difficult times.
