Cupcakes!!!!

On Thursday Mr Tallaridi dropped off some beautiful cupcakes that his wife had cooked for the staff.

Kellyville High School staff would like to thank Mrs Tallaridi for the beautiful cakes she made. Our staff enjoyed them and they didn't last long. Yum, Yum!!

Check-in assessment Year 9 – Reading and Numeracy

Kellyville High School has decided to participate in an optional Year 9 reading and numeracy assessment for all mainstream students. Data from this will allow teachers to identify areas of growth and weakness to target more specific needs and cater to the learning abilities of our students. Parents will not receive a report on this, as data will only be used for staff members.

What is the Check-in assessment?

The Check-in assessment is an optional online reading and numeracy assessment for students in Year 9. The check-in assessments will be available to schools as follows:

- Year 9 students: Term 3, Weeks 5 to 7 (17 August to 4 September 2020)

The check-in assessments can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

The Check-in assessments are mapped to the NSW Syllabuses and National Literacy and Numeracy Learning Progressions.

The Check-in assessment

The Check-in assessment includes two online assessments for Year 9 students:

- reading assessment
- numeracy assessment

Each assessment is designed to be quick and easy to administer, consisting of approximately 40 multiple choice questions.

Term 3 Calendar

Please understand that dates may be subject to change in conjunction with further advice received from the NSW Department of Education.

You will be notified of any changes.

Relieving Principal's Address

The last fortnight has really strengthened the admiration I have for the work going on at Kellyville High School. Semester 1 reports have been published and they highlighted some wonderful strengths our students have shown as they advance in their learning despite the obvious challenges. I was also privileged to have a role in the induction assembly for our new Student Executive Council and House Council which included announcing the new school captains. It wasn't the usual big event but it was just as important and it was also very encouraging to see how excited students were about being part of this important institution. Moreover, I was definitely impressed by the leadership skills on display in the poise, composure and speaking abilities of our student leadership group.

Subject selection is a very different feature of this time of year and here I have also admired, particularly in the rigorous Year 10 process, how well teachers and students have been working together in meaningful and searching discussions about big decisions for future educational pathways. They are being well supported here at school but also clearly getting some good advice and encouragement from family as well.

Year 12 are now also just about at the midpoint of their HSC Trial exams and this can be an anxious and resilience testing time for them and their families. They look to be managing in good spirits up to this point and we certainly wish them all well for next week as well.

Thanks again for your ongoing support,

Mr Mark Burnard

Relieving Principal

Kellyville High School

Deputy Principals' Report

It has been a very busy 2 weeks at Kellyville High School and it has been great to see so many exciting things happening in our school community.

Firstly, we were lucky enough to witness the induction of the 2020/2021 School Executive Council as well as the House Council. These positions were very sought after and we have the utmost belief that these students will continue to build on the great name of our school.

We would also like to congratulate our newly elected Student Leadership Team. Congratulations to our School Captains, Tori Jackson and Alysha Myo, our IEF Captain, Max Clements and our School Vice Captains Jowin Dubash and Shafia Farooqi. We look forward to working with you closely in the next 12 months.

Subject Selection has also taken place for both Year 8 and Year 10. It is nice to hear the chatter amongst the students excited about the decisions they are making for their future education.

Year 12 students are about to embark on their second week of trials. The presiding officer has been very impressed with the behaviour of our Year 12's during their exams. Keep calm Year 12, only a week of exams to go.

We have also been alerted by community members of some unsafe behaviour of students. Can we please ask parents to have a conversation with their child/ren or guardian about being safe and responsible when travelling to and from school?

For all children, regularly remind them to be safe and responsible pedestrians by:

- sharing the footpath and walking on the left
- looking out for vehicles entering or leaving driveways
- putting mobile phones and earphones away, so you or your children are not distracted by music, texting, emailing or searching the internet when walking
- using safe places to cross such as pedestrian crossings, traffic lights or a school crossing, if available.
- showing respect to other pedestrians.

Principals' Day 2020

Lastly, on behalf of the School Community, we would like to acknowledge the work of our Relieving Principal, Mr Mark Burnard.

Principals' Day is an opportunity for celebrating the work done by all principals in our great public schools across the state. This year we've seen the true capacity and calibre of our principals in stepping up to the enormous challenge of leadership through bush fires, floods, ongoing drought and COVID-19. The strength of principals in bringing together communities, being the central point of certainty, support and care, has deepened the broader community's respect for the profession.

From all of us!

Mrs Denise Maloney (Years 7 & 8)

Mrs Jo Roberti (Years 9 & 11)

Mr Damian Wanstall (Years 10 & 12)

Deputy Principals

Kellyville High School

From the Welfare Team Week 3

Leadership Team induction

What a wonderfully uplifting start to the term it has been as we strive to achieve a little bit of normal and stay connected. This term has seen the successful introduction of our new School Executive Council and our new House Council. We wish to send our heartfelt thankyou to the outgoing teams and warmly welcome the new school leadership teams. In particular we would like to acknowledge our outgoing leaders Suhashini Jeysothy, Khhushi Kundra, Daniel Schwartzel, Xander Papadopoulos and James Habkouk who have served the school proudly and have been outstanding representatives and role models for the school community. A big thankyou also needs to go out to Ms Bavaro SEC coordinator and Ms Mitai House council coordinator for their support and leadership during this process.

The induction ceremony this year had to comply with COVID safe rules so unfortunately parents could not be in attendance but do not despair we captured the ceremony on film and took a photo of each of your children as they were inducted. We will make the video and photographs available to the school community over the next week. Please keep an eye on our official Facebook page for updates on how to receive this package.

Despite the COVID restriction we had to overcome like no handshaking and no parents the ceremony was a joyous and momentous occasion for our Leadership team and we again congratulate them on their commitment to the school.

Finally welcome to our entire new SEC and HC and in particular welcome to our new School Captains Tori Jackson and Alysha Myo our Vice Captains Jowin Dubash and Shafia Farooqi and our IEF Captain Max Clements I am confident that they will continue to set the standard high and make Kellyville proud.

Life Education

This past fortnight we welcomed Drug and Alcohol educator Bobbie McDonald from Life Education into our school community as she worked with us to send a strong message about the dangers of drugs and alcohol and inform the students of the facts. The program aimed to guide students to make more positive choices in their social lives and instilled in them strategies to keep both themselves and their friends safe in dangerous or risky situations.

Our year 9 and 10 students in particular were very engaged and responsive asking questions which highlighted their maturity and curiosity. We look forward to continuing our partnership with Life Education.

Mrs W. Limmer

HT welfare (Relieving)

From the ARCO

In a multicultural country like Australia, it is important for schools and teachers to recognize racism and acknowledge the beliefs and attitudes of various cultures. Both students and teachers should facilitate cultural diversity and implement anti-racist strategies to promote multicultural education within the school environment. To support this objective and as a part of the Department's commitment to anti-racism, each school has an Anti-Racism Contact Officer (ARCO).

The role of the ARCO is to:

1. receive the suggestion, complaint or allegation regarding racism
2. assist the complainant to write the complaint, if required
3. advise the complainant of their rights and the process to be followed in lodging a complaint
4. refer the complaint to a member of the school executive who will be responsible for resolving the complaint.

An ARCO encourages teachers and students to question their own and others' views about racism and suggests practical and positive ways of tackling racism as a whole-school issue. With the support of an ARCO, both students and teachers should be aware of racism and work towards promoting equality and a positive atmosphere. By modifying curriculum and addressing expressions of racism, schools can help students move beyond tolerance to acceptance and nurture an environment that celebrates racial and cultural differences.

KHS school plan has a zero tolerance policy towards racism. Empathy, tolerance and acceptance towards each other is what we need to maintain a healthy relationship in our community.

Mrs S.Thomas,

ARCO.

Dear Parent,

Title: Mathsonline Term 3 2020

Group: All students

Details:

The Mathematics Faculty at Kellyville High School offers membership to Mathsonline. It is an excellent online program that offers tutorials, questions, quizzes and feedback to students in Mathematics. If you would like your child to have access to Mathsonline until February 2021, the price is just \$10. This amount is payable to the office or online at any time during Term 3 2020.

Cost: \$10.00

Please note that fees are charged pro-rata(\$5 per term of usage). If students pay for membership in Term 1, the price is \$20. If they pay in Term 2, the price is \$15 and so on.
For more information, you can visit the website mathsonline.com.au or contact Mrs Moy at the school on 8824 5955.

Mrs T. Moy,
Mathsonline Coordinator
