	Wed 12 May	NAPLAN Years 7 & 9
	Thu 13 May	NAPLAN Years 7 & 9
	Fri 14 May	NAPLAN (Catchup)
	Sat 15 May	Hills Relay for Life
	Sun 16 May	

***Please be aware that these dates may be subject to change. You will be notified if any changes occur.**

PRINCIPAL'S ADDRESS

Already in Week 6 of Term 1. Our students should be used to their daily routine and being at school on time. All years will have assessments coming up and should be preparing for them. They have all received their assessment booklets that provide important information for students and parents/carers to become familiar with.

School Uniform

Thank you to all students who are wearing their full uniform to school. Information will be sent through SchoolBytes outlining our expectations on the wearing of full uniform, including shoes and socks. I ask all to fully support our uniform and to wear it proudly as a student of Kellyville High.

Open Night

On Monday 8th March we are holding an open evening from 4 – 6pm for prospective parents/carers seeking a high school placement in 2022.

P & C

The 2021 executive of the P & C were elected at the meeting on Tuesday night. They are:

President	Tim Williams
Vice President	Karen Dagg
Secretary	Lisa Kennedy
Treasurer	Leuven Naiker

I encourage all parents/carers to support the P&C through attending meetings (next one is Tuesday 4th May) and paying the voluntary P&C Contribution of \$50 per family when you pay the other school contributions. This money allows additional resources to be purchased to support your child's education.

Mr T O'Brien
Principal

DUKE OF EDINBURGH'S INTERNATIONAL AWARD - AUSTRALIA

2020 was a difficult year for us all. Once the smoke cleared from the fires and the flood waters receded, we had COVID19. Few saw it coming, but most of us were unprepared. One thing the Duke of Edinburgh's Award can teach us is the preparation and training is the key to withstanding tough times. Nicholas, Sarah, Thomas, Jefferson, Nathan, William, Lucas, Brooke and Willem were all able to complete their Award levels.

We only managed one Bronze/Silver Adventure Journey last year to Newnes. Unfortunately, numbers were also limited by National Parks.

In February this year we completed a Silver/Gold Adventure

Journey to Kosciuszko National Park with seven students and one alumnus, "Fantastic week in the wilderness!". Thank you for your help Cassie, it is sometimes the small acts of kindness that make the biggest difference.

After a long drive to Guthega Power Station we had a short but uphill climb to our first night. Day 2 was also quite easy as we crossed the Great Dividing Range. On Tuesday we once again crossed the Great Divide, but this time was cross country passing over Gungarten Pass at 2,020 m elevation. An exhausting 5 km that took over 4 hours, but the views from the top and experience of visiting Tin Hut were worth the effort. A special place that very few people get the chance to visit.

Formal in-class learning contributes to future opportunities, however, the Duke of Edinburgh's Award brings other attributes that young people need to be future ready for the world of tomorrow such as confidence, resilience and adaptability. Life is a teachable moment.

We were very grateful to Mr. Nicholls from National Parks who gave us an excellent presentation on the Kosciuszko Ecosystem and advice on careers with National Parks. Please email Mr. Thomas if you would like a pdf copy. Kindness and gratitude are some of the best behaviours we can develop. Where there is gratitude, kindness follows. Thank you, Ms. Mitai for supporting the girls on their journeys. Without you their adventures would not be possible.

For many young people a significant event can be expected at some time in their life. With these events comes a sense of belonging and a sense of responsibility to others; wearing a mask in public or disinfecting your hands. There are always setbacks and disappointments which are moments to reflect. The Award is a place where students feel safe from events beyond our control.

"Duke of Edinburgh has way more to offer than it seems. Best thing I like about Duke of Ed is the bonding experiences, challenges you'll overcome and all the amazing once in a lifetime moment. Even if you're not an outdoors person, Duke of Ed might change your mind."

Joel

"Duke of Edinburgh is an amazing experience that suits anyone up for a challenge, from learning a variety of skills and discipline, it brings out leadership qualities in everyone. We go camping, an adventurous journey into the bush taking care of ourselves and each other. The Duke of Edinburgh committee is friendly and encourages growth in everyone. It is an experience no one should pass by."

William

Duke of Edinburgh has let me go back to the places I adore in the Australian country. The people that I'm always with are such an amazing group of young adults and I hope to go on more camps with them, and the wonderful teachers that put so much work and the commitment they put themselves through to help us. It's such an eye opener".

I have spent a lot of time in the bush with Miss Mitai, and I would like to acknowledge that she is compassionate, and genuinely cares about student and teacher welfare. Miss Mitai always brings joy to these difficult expeditions, and she is always optimistic.

Cassie

"Mr. Thomas, I respect and love you as a teacher, but right now I want to punch you in the face."

Anon.

(after a very difficult climb up Gungarten Pass and falling in the heath).

Our greatest glory is not in never falling, but in rising every time we fall.

Confucius.

Get outdoors and experience the world around you.

Mr I Thomas

Duke of Ed Organiser

YEAR 12 DRAMA GO TO NIDA

Year 12 Drama students had the opportunity to attend the National Institute of Dramatic Art's library for their Individual Projects.

It was filled with books, plays and computers to help with the research for their projects due in Term 3. While some looked in their monologues, others were able to decide their next step in their project journey.

Some of our students hope to audition for NIDA when they graduate so this was a perfect opportunity to tour the school. It was a productive day filled with photocopying and note taking.

Overall, we had a great day!

Thanks NIDA!

C De Mellow
Drama teacher

FROM THE DEPUTY DESK

Harmony Day

The school is excited to be able to acknowledge Harmony Day on March 19th. The introduction of the COVID restrictions prevented us from doing so last year. It is a colourful showcase of traditional costume, student performances, cultural activities, a flag parade – with the afternoon concluding with a school BBQ.

Further information will be communicated through SchoolBytes regarding the guidelines for wearing of orange or traditional costume on the day.

International Women's Day

Monday 8th March is recognised as International Women's Day. #ChooseToChallenge is this year's theme. The KHS SEC team have organised an afternoon open to all students to attend to hear from various guest speakers and leaders about their experiences. A COVID safe afternoon tea and interactive Q&A session will also be available.

Playground Supervision

Students are reminded that upon arrival to school before the bell, they are to remain in the quad and upper COLA areas. Students are not to be on the oval or courts areas.

During school time, students need to ensure they are visible to staff on duty and remain within the in-bound areas clearly identified in the school.

At the conclusion of the school day, students are to exit the school in a safe and respectful manner. Pedestrians are to leave through each of the pedestrian gates. We have received community feedback that an increasing number of students are not road aware as they are heavily engaged in their phone and/or with their music, posing risks to their safety and that of others.

Students waiting for the buses are required to follow the instructions of the staff on bus duty and sit in their designated bus lines in the breezeway. Students are not permitted to be actively playing in other areas of the school.

Mrs J Roberti / Mrs D Maloney
Deputy Principals

WHAT'S HAPPENING IN HSIE

Year 11 Legal Studies - Ms McHardy

Year 11 Legal Studies has been investigating the topic of the Legal System these last few weeks. Both classes have shown a keen interest in sharing their ideas and opinions. They have shown excellent verbal communication skills, including active listening and respectful presentation of their opinions on controversial issues. The students have shown initiative by involving themselves in current events and accessing the news. While it is still early days, both Mr Knott and myself have been impressed with the commitment to their learning that our students have shown to date.

Year 9 History – Mr Joyce

Mr Joyce is using Minecraft Education in Year 9 History to learn about the Industrial Revolution. Students will make farms that are based on the old open-field farming method then enclose the fields and introduce new technology. They will then be able to assess the impact the Industrial Revolution had on the farms.

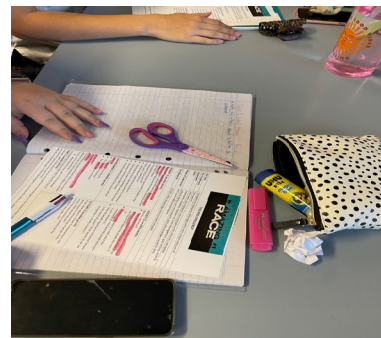

Year 9 History - Miss Amin

Year 9 History has been exploring the history of revolutions in European societies. In order to understand why some revolutions came about, as a class we have explored the different 'isms' that emerged in the age of enlightenment. In this hands-on activity, students were asked to match definitions, titles and images to the correct category of 'isms'. Students thoroughly enjoyed this hands on activity and were able to visualise the difference between different ideologies.

Year 11 Society and Culture Class – Miss Woods

In Miss Wood's Year 11 Society and Culture class we have been learning about the fundamental course concepts. Students are examining how these concepts can be applied at a micro, meso and macro level and how societies and cultures can be studied under the concepts. Students applied their knowledge in an Amazing Race task around the school. They had to identify information about the schools' meso context and relate it back to the course fundamentals. Students worked in teams to race around the school and collect primary data. They then collated this data and are about to present their findings. Students enjoyed the hands-on learning and competitively completed the task. There are some excellent communicators and researchers in Year 11 Society and Culture.

KHS P&C

The next P&C General Meeting will be held **May 4th** in the Library from 7pm, within current COVID regulations. Looking forward to seeing you there.

The P&C also run a second hand uniform shop each **1st and 3rd Thursday** of each month, from 8.15am to 9am. Prices are published in the second hand shop. There are no refunds or exchanges on goods purchased here.

P&C Committee

CAREERS DESK

Applications for Australian Defence Force Gap Year open now

An ADF Gap Year is a unique opportunity for students to experience life in the Navy, Army, or Air Force, without needing to make a long-term commitment. The skills obtained through the ADF Gap Year program will provide valuable work and life experience and are completely transferable. It will enable students to develop confidence for their next endeavour.

Students who take part in the ADF Gap Year program:

- Gain valuable skills and work experience
- Enjoy an excellent salary package plus free healthcare
- Live a varied, active, and healthy lifestyle
- Make friends with like-minded people
- Have the opportunity to see more of Australia

For more information, click on the link below:

<https://www.defencejobs.gov.au/students-and-educat...>

DEFENCE RECRUITING

Interested students are invited to the ADFA Information Session! **Monday 8 March, at 4:30pm** at the Sydney Defence Force Recruiting Centre, Building F, Level 6/1 Homebush Bay Dr, Rhodes NSW 2138.

The session will be held in centre face to face and presented by a Defence member straight from ADFA!
Click on the link below for registration.

<https://www.defencejobs.gov.au/events/events-detail/v56rh1h>

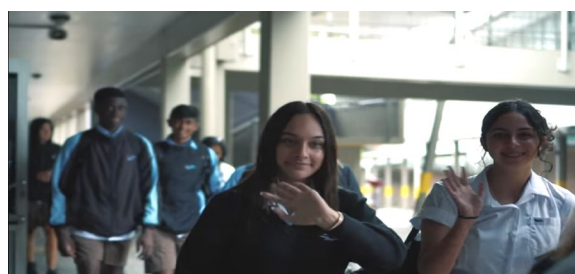

YES PROGRAM @ NIRIMBA, QUAKERS HILL

Youth Engagement Strategy (YES) program provides an opportunity to try a trade or a vocation in a short time, e.g 8 weeks one day a week.

TAFE NSW Nirimba has the following courses running in Term 2 2021. They are:

- Bricklaying & Block laying (Mondays, from 26th April)
- Building Design and Civil Engineering (Thursdays, from 29th April)
- Carpentry (TBA)

The above programs will help students develop practical skills and help them identify their career pathways. Interested students should see the Careers adviser in the library.

Mr H Obidi
Careers Adviser

THE HILLS SHIRE COUNCIL YOUTH AMBASSADOR PROGRAM

The Youth Ambassador Program is run at The Hills Shire Council. This programme allows young people to learn more about their local Council, as well as policy, designing and innovation, while also gaining valuable leadership skills in the process. It is open to young people aged 15 to 24. There is a \$1500 allowance attached to the position.

<https://www.thehills.nsw.gov.au/Services/Our-Community/Youth/Sydney-Hills-Youth-Ambassador-Program>

STUDENT NEWS

Davina Under 14's Junior State Cup Champions.

Davina was part of the under 14's team that won their division at the junior state cup in Wagga on the weekend of 27th and 28th March.

Congratulations Davina on your performance.

MATHSONLINE

The Mathematics Faculty at Kellyville High School offers membership to Mathsonline. It is an excellent online program that offers tutorials, questions, quizzes and feedback to students in Mathematics. If you would like your child to have access to Mathsonline until February 2022, the price is just \$20. This amount is payable to the office or online.

For more information, you can visit the website mathsonline.com.au or contact Mrs Moy at the school on 8824 5955.

IN THE INCLUSIVE EDUCATION FACULTY (IEF)

Study hard - Study smart

Our students have been shining and showing dedication and engagement in their subject areas. This has been reflected in the huge number of Academic and S'RREAL Awards that have been received by the students.

The IEF faculty received new computers this term and the students are excited to be using the latest technology.

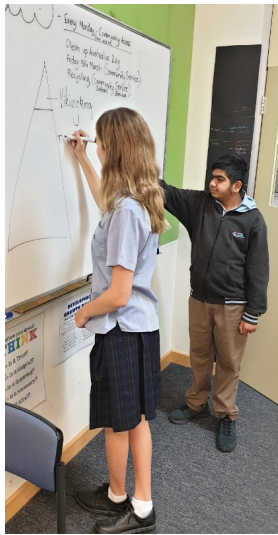

HSIE - IEF2

The study of Viking Society is a very popular topic in our classrooms this term. The students are passionate and engaged and are enjoying exploring the history, language, religion, engineering, geography and politics of the Viking society.

Visual Arts students are exploring different textures to create their own masterpieces.

**Lunch Break**

Lunch time is about enjoying conversation with friends, relaxing and having a fun time together.

Mrs I. Shkuratova and Mrs S. Fitzpatrick
IEF staff

PCYC

Fit For Life program had its introduction at KHS this morning. Fit For Life is an early intervention program designed to engage youth ages 10 to 17 who are at risk of poor choices and anti-social behaviour. Through physical fitness, nutrition and social engagement, Fit For Life aims to improve overall wellbeing as well as prevent and divert youth from offending behaviours. Lots of laughs, sweat, music and engagement was topped off with a great feed. A huge thanks to the Hills Local Police Command for their continued support and mentoring. If you are interested in attending please contact Mrs Maloney

Mrs D Maloney
School Fit For Life Coordinator

Welcome to Students Online

Activate your Account!

Make sure your school has added an email to your NESA record or else you cannot activate your account.

- Go to <https://studentsonline.nesa.nsw.edu.au/>
- Click on – ‘activate your account now’
- Write down your NESA number – you will need it to log on

PERSONAL DETAILS - Check your name, address and contact details

You can add/change your address, email and phone number

ONLY your school can update your name. Your name in Students Online MUST be the same as your legal documentation (for example, birth certificate or passport).

ENROLMENTS/RESULTS - Check your courses

Are you in the right courses? If not, go to your school and get that fixed.

Check the messages down the bottom of the page – Are there any errors in red? Check with your school.

MESSAGES – Where all your PDF results will go that you order through Results Services AND your Minimum Standard Results can be viewed here.

CERTIFICATES/eRecord – Click here if you want to get a free PDF of your eRecord/RoSA/VET certificates or HSC package when you are eligible

Final tips:

- Get your NESA student number from your school (it is on your Confirmation of Entry) and save it somewhere you can access any time (e.g. phone)
- If it says it does not recognise the number – You may need to Activate your Account
- Once you activate your account save your NESA 6-digit PIN in a secure place
- As soon as you activate – log in – go to Personal details – fix your email to your personal email

Students Online – Information for Schools

What you need to know about Students Online

Students must activate their account

- To help the activation process, it is very important that schools enter students' personal details accurately on Schools Online and provide an email address.
- To activate their account, students should visit <https://studentsonline.nesa.nsw.edu.au> and click on 'activate your account now'.
- Students are required to confirm their name and date of birth. An activation email is sent to their email address provided by the school on Schools Online.
- On activating their account, students will receive their NESA student number and choose a NESA PIN. Students need to keep these login details safe. They will need them throughout years 10, 11 and 12.

Personal details

- Students should check that their name on Students Online matches their name in their legal documentation, such as their passport or birth certificate.
- Students must contact their school if their name requires updating as only schools can update students' names via Schools Online.
- Students can check and update their postal address, email address and mobile phone number.

Enrolments/Results

- Students should make sure that they are in the correct courses and view any eligibility errors.
- Students must contact their school if they have any concerns.

Certificates/eRecord

- Students can access their free PDF of:
- **eRecord** at any time. An eRecord details the grades achieved to date but it is not a credential.
- **RoSA** credential after being nominated as a school leaver by their school.
- **HSC** credential package after the release of HSC results in December.
- **VET** credentials package.

Minimum Standard Results

- Student results will go directly to the Messages section in Students Online NOT to their email

Important

- If students forget their NESA student number, the school can locate NESA numbers on Schools Online.
